Subject: Budget draft request relating to fishing and hunting license fees

*Eric 2:00 p.m.

I am requesting statutory language be drafted for inclusion with the 2005-07 biennial budget bill. The draft will adjust various hunting and fishing fees, increase the wildlife damage surcharge under s. 29.563(13), and create a new stamp and several new tags. A schedule of license fee changes is attached.

The wildlife damage surcharge for the conservation patron license will increase from \$2 to \$5. The charge for all other licenses and permits currently subject to the surcharge will increase from \$1 to \$2.50.

*CONV.

Appropriation language for a new ruffed grouse and woodcock stamp should be similar to the pheasant stamp continuing appropriation under s. 20.370(1)(hr) *Pheasant restoration*. Authorization language should be similar to s. 29.191(2) *Pheasant hunting stamp*. The new stamp will be subject to a 25-cent issuance fee.

*CONV.
patron*
The draft will create a new requirement for carcass tags to be employed by any person hunting pheasants on state lands stocked with pheasants. The purpose of the requirement is to provide funding for pheasant rearing and stocking activities. Language under s. 20.370(1)(hr) *Pheasant restoration* should be broadened to accommodate the new requirement. Authorization language under Ch. 29 is also needed. The new tags will be subject to a 25-cent issuance fee.

*in

*CONV.
patron*
The draft will create a new extra turkey tag that entitles a person to harvest additional wild turkeys. Authorization language should be similar to provisions under bonus deer hunting permits under s. 29.181(2). Appropriation language under s. 20.370(1)(ht) *Wild turkey restoration* should be modified to accommodate the new tag. The new tag will be subject to a 25-cent issuance fee.

*CONV.
patron*
Language under s. 20.370(4)(kw) *Sturgeon stock and habitat* should be broadened to accommodate a new sturgeon hook and line tag for residents and nonresidents. Authorization language under Ch. 29 is also needed. The new tag will be subject to a 25-cent issuance fee.

Please contact me at 266-7329 or andrew.statz@doa.state.wi.us if you have any questions.

2005-07 Statutory Language Proposals

DIVISION:	CAES
BUREAU:	Customer Service and Licensing
ISSUE/TOPIC:	Implementing the New Turkey Tag Fee
PROPOSED CHANGE:	Amend s. 29.164 Wild turkey hunting license approvals to make the following three changes: (1) Allow DNR to sell tags leftover after the drawings for a \$10 fee to any person with a turkey hunting license without going through the drawing in the cumulative preference system. (2) If a person chooses to pay the \$10 outright without going through a drawing in the cumulative preference system, the person will still retain their current ranking in the cumulative preference system. (3) Remove the restriction the limits each hunter to one turkey license (aka tag) per person in s. 29.164(3)(d).
EXPLANATORY NOTE:	As a part of its Fish and Wildlife fee package, the Department is proposing a new \$10 fee for "extra" turkey tags leftover after the drawings in the preference system are complete. In the past, these extra tags have been given away for free to hunters who have already won a tag in the cumulative preference drawing for the zone in which the extra tag is applicable. This language will make sure that hunters have a choice in the way that they obtain a turkey tag: (a) they can go through the drawing based on the cumulative preference system; (b) they can buy an extra tag outright for \$10 and by-pass the drawing; or (c) they can do both. In addition, the language will assure that if a hunter chooses to buy an extra tag for \$10 and skip the drawing, the hunter will not lose his or her relative standing in the cumulative preference system.
DESIRED EFFECTIVE DATE:	Upon passage of the budget
